

EDUCATION AND TRAINING FOR HEALTHCARE PROFESSIONALS

We have a range of training courses to upskill and support professionals working in MSK Care. Our events are primarily aimed at GPs, GP trainees and other primary healthcare professionals who support patients presenting with MSK conditions, but our courses can be adapted to suit specific groups of professionals.

To find out more or to book individuals onto one of our upcoming training courses, visit www.VersusArthritis.org/CoreSkills or contact ProfessionalEngagement@VersusArthritis.org to book a course exclusively for your team.
